"What gets me in the mood? Love songs, romantic movies, the change of seasons, holidays... All that old-fashioned stuff. A good bottle of red wine doesn't hurt, either."

ED SHAIKH

RALPH LAUREN
SPECIALIST,
STANLEY KORSHAK

"I would say listening to Sinatra or Outkast, or when I put on my black python Gucci shoes, or when I'm having a fine, aged cigar."

LAURA LEWIS

EXECUTIVE DIRECTOR,
KOKOPELLI'S WELLNESS
SPA AND YOGA CENTER, FRISCO

"Candles, just the right amount, so it's the only light in the room — sooo romantic — while Norah Jones sings 'Turn me on' in the background... Truly ripe black plums. Yum! ... *City of Angels*, where the invisible Nicolas Cage is still an angel, and Meg Ryan is in the bath and, ahem, thinking of him while Paula Cole sings her sensual tune. Hot! (Can someone send me an angel please?)"

MARIA DE LOURDES SANCHEZ ARANGUREN

MANIK TEQUILA

"Chilled mescal and European lounge music."

JONATHAN CALABRESE

CO-OWNER AND CHEF,
TASTE AND SAVORY

"A nice glass of Italian or French red wine and Dead Can Dance. Sometimes I pull out my greatest hits of Frank."

MICHELLE BARDWELL SHELMIRE

REGISTERED

"A blend of rose, sandalwood and patchouli essential oils, to not only get in the mood but to take it to a tantric level."
